

Does your Family Need Medical Coverage?

Then You Need Healthy Start/ Healthy Families

It provides **NO-COST** medical coverage for you and your children up to the age of 19.

What is covered?

- Regular checkups for babies, toddlers, children and teens
- Eye tests, and eyeglasses, if needed
- Dental care for your children's teeth
- Immediate care when your children are sick or injured
- Coverage for some unpaid medical bills
- Medical care for pregnant women before and after the baby is born
- Prescriptions

Who qualifies for Healthy Start/Healthy Families?

You qualify based on your monthly income.

The total number of people in your family	90% federal guidelines	150% federal guidelines	200% federal guidelines
	Whole Family Coverage	Pregnant Woman and Children	Children Only
	Monthly income	Monthly income	Monthly income
1	\$780	\$1,300	\$1,734
