Hamilton County Highlights Another Child Available for Adoption

Cincinnati (May 6, 2008) A 16-year-old boy who likes to make people laugh and enjoys playing football is May's Adoptable Child at Hamilton County's Department of Job and Family Services.

Hamilton County is spotlighting some of the children it has available for adoption with monthly releases to local media.

"We're looking at innovative ways of getting our children before the public so we can find them safe, loving homes," said Moira Weir, director of the department. "Every child deserves a permanent home and we know there are hundreds of loving families throughout this community who would be willing to open up their doors and their hearts to our children."

Dynamic and bold, Ricardo has a great personality and often makes people laugh. His passions are football and rap music; he and his friends have formed a rap group and often record their music at a studio after school. He also is adept at taking electronics apart and putting them back together again. He also likes to cook.

Ricardo really wants a loving father who will be a positive role model for him. He would do well in a busy family where he would have other siblings.

Hamilton County currently has about 215 children available for adoption. The county's Children's Services Division often must take custody of children who are the victims of abuse or neglect and cannot be safely reunited with their families.

Those interested in adopting or becoming foster parents can learn more at www.hcadopt.org or www.hcfoster.org, or by calling (513) 632-6366 or e-mailing adoption@jfs.hamilton-co.org.
