Hamilton County Highlights Another Child Available for Adoption

Cincinnati (July 3, 2008) An independent-thinking 11-year-old girl who loves attention is July's Adoptable Child at Hamilton County's Department of Job and Family Services.

Hamilton County is spotlighting some of the children it has available for adoption with monthly releases to local media.

"We're looking at innovative ways of getting our children before the public so we can find them safe, loving homes," said Moira Weir, director of the department. "Every child deserves a permanent home and we know there are hundreds of loving families throughout this community who would be willing to open up their doors and their hearts to our children."

Makeeba loves both drawing and science projects, so she has zeroed in a couple of possible professions: a nurse or an artist. She enjoys soccer and active outings, as well as reading and playing cards. Don't try to peg her --- her favorite foods are pizza, cheeseburgers AND Indian food.

Makeeba would do well as an only child in an adoptive home.

Hamilton County currently has about 215 children available for adoption. The county's Children's Services Division often must take custody of children who are the victims of abuse or neglect and cannot be safely reunited with their families.

Those interested in adopting or becoming foster parents can learn more at www.hcadopt.org or www.hcfoster.org, or by calling (513) 632-6366 or e-mailing adoption@jfs.hamilton-co.org.
