

# Major changes coming in Child Care in 2010!

Due to changes by the State, Hamilton County Child Care providers will notice some big differences in 2010.

Starting this spring, providers will be paid monthly by the State. You will sign agreements with the State and begin paying union dues. As time goes on, you will do more by computer and less by paper.

*We want to help you better understand what's happening! Here are some ways to stay informed!*
